To each her own Mother's Day gift

When it comes to moms, no two are exactly alike. So this Mother's Day — it's Sunday, so mark your calendar — be sure to treat your mom to something that suits her, and you'll get a big smile in return. USA TODAY's **Cindy Clark** picks a few fun finds to celebrate the occasion.

For the mom-to-be

Make sure to recognize the expecting moms in your life! Treat her to a box filled with an assortment of goodies including Josie Maran Argan lip gloss, Mama Mio Tummy Rub, Vosges Haut Chocolate Peppermint Chocolate Bar, Zoe Organics Face Wash, Foot Petals limited-edition Tip Toes (two-pack) and more. The first 500 boxes will also include a complimentary copy of Amy Tara Koch's book *Bump It Up*.
