## WATER POWERED DROP CLOCK

This amazing clock doesn't require batteries or electricity. Simply fill it with water and a squirt of lemon juice: That's all the clock needs to keep perfect time! The ions in the water are converted into current for power. This environmentally friendly time keeper sells for \$25. Visit [www.bedolwhatsnext.com](http://www.bedolwhatsnext.com), or call **1.800.880.4983**. You can also find it at Bedol What's Next, 456 West First Street, in Claremont.

## BREATHE EASIER

Whether you're training for a triathlon, taking up beach volleyball, or just trying to kick your summer workouts up a notch, reach for AirAide™ to help you breathe easier.
